

Dear Patient,

Congratulations on your birthday milestone! We want to help you look forward to your future and support you in being as active and healthy as possible for many years to come. This means scheduling an annual wellness examination to screen for problems that may affect your health today and potentially for the rest of your life.

Insurance companies understand the importance of this routine exam and in most cases, cover a wellness visit without any out-of-pocket expense. Please call our office to schedule your appointment. We want to help you stay healthy, so you can enjoy all that your future may bring.

Sincerely,
